

BYSA Travel Team Program 2025-2026 Season

The Bayonne Youth Soccer Association Travel Team Program takes youth players to the next level. We offer year-round training for ages U8 to U14.

Our comprehensive program focuses on skill development, athletic performance, and competitive play across all seasons.

Season Overview

Fall Season

Competitive league play with 10 weeks of training. Two 90-minute sessions weekly.

Speed and agility program with ten 60-minute sessions.

Winter Season

Players participate in a winter tournament or local indoor league.

Maintain skills during the off-season with continued development.

Spring Season

Continued league play with 12 weeks of training. Memorial Day tournament.

Speed and agility program with ten 60-minute sessions.

Fall Season Details

Competitive League Play

All teams from U8 to U14 participate in a structured fall league.

Training Sessions

Ten weeks of intensive training with two 90-minute sessions per week.

Focus on technical skills, tactical awareness, and game intelligence.

Speed & Agility Program

Ten specialized 60-minute sessions to improve athletic performance.

Develops quick footwork, coordination, and explosive movement.

Winter Season Program

Winter Tournament or League Play

Participation in a winter tournament or league to maintain competitive play during the offseason for U8 to U14 teams.

Spring Season Highlights

League Competition

Teams continue their development with structured league play.

Matches scheduled to challenge players at appropriate skill levels.

Extended Training

Twelve weeks of technical and tactical development.

Two 90-minute sessions weekly focusing on advanced skills.

Tournament

Teams apply their season-long training against quality competition.
